Importance: High

For the 205J grant amendment - a revised budget, the workplan and the waiver letter that should be attached to the grant application. Please prepare the 424 forms and prepare this application for submittal. Please let me know if you need anything else. The workplan has not changed except for the FTE cost estimate.

Bill Beckwith called and he is still reviewing the grant workplan.

Bill – Please let us know if you are okay with this workplan and budget.

Thanks,
Nancy

I think we are going to run into the same problem with this federal application as we have been with our others this year: Fringe benefit percentage may be inaccurate. I've attached the correct percentages from DAS. Please update your budget and workplan (if necessary) prior to providing final copies for creation of the federal application.

Thank you,
Marcie

Please review the attached draft grant amendment application workplan and budget. Please review and let me know if you have any **comments or questions by April 17**, so that we can submit this application for FY16 funding.

Brock – I made some edits, so please save this version.

Thanks,
Nancy
